

Wind Advisory

Beginning: 2026-03-14T21:47:00

Ending: 2026-03-15T16:00:00

New Alert

Wind Advisory issued March 14 at 11:47AM HST until March 15 at 6:00AM HST by NWS Honolulu HI

*** WHAT...Southwest winds 25 to 35 mph with gusts up to 55 mph Kauai County, Oahu.**

*** WHERE...Gusty winds have dropped below warning levels but remain strong. Areas north and east of steep mountains for the island of Kauai, Niihau, and Oahu will be most at risk.**

*** WHEN...Until 6 AM HST Sunday.**

*** IMPACTS...Winds this strong can tear off shingles, knock down tree branches, blow away tents and awnings and make it difficult to steer, especially for drivers of high profile vehicles**
